## LIVE PC GIVE PC CHAMPIONS WELCOME!

Fall greetings and many thanks for offering to help make Live PC Give PC a success this year!

You have the keys to the most effective way to increase participation and donations: through word of mouth. Asking the people you know – whether in your neighborhood, or at work, or something you do for fun – is the best way to generate more support for and involvement in all our local nonprofits.

Here are some simple things you can do that will make a huge difference:

- **Focus on this main communication:** Join me in giving during Live PC Give PC on November 4, and support the nonprofits that mean the most to you!
- **Talk** about Live PC Give PC when you see your friends in person.
- **Email** your friends with the link to [livepcgivepc.org](http://livepcgivepc.org).
- **Call** people and encourage them to participate.
- Promote Live PC Give PC on your **social media** accounts, and use the hashtag #livepcgivepc.
- **Text** your friends the day before and the day of the event.

Thank you for your support of Live PC Give PC!
