CAR WINDOW DECAL CUSTOM ORDERS

Live PC Give PC has teamed up again this year with Ace Sign & Design to offer participating nonprofit organizations co-op Live PC Give PC 2016 car window decals. In past years, many organizations participated and have found it to be an excellent and cost-effective method to help promote the campaign and raise funds.

Below is an overview of the program, as well as instructions on how to order your decal. Please note, Ace is offering a discounted rate to organizations ordering five or more decals – so ask your board members, staff and volunteers to help you spread the word!

- PRICING** Pricing is \$22.50 each for the window decals - \$20 if the nonprofit orders 5 or more.
- DECAL SIZE** Size is 18" x 12" – please confirm this size will fit before ordering.
- DELIVERY** Turn around time is 2-3 days from order. You will need to pick it up at Ace Sign and Design, located at 4117 Atkinson Road; they are upstairs from Park City Towing.
- INSTALLATION** You can install it yourself (it's pretty easy) or pay \$7.50 each or \$5.00 each if they are installing 5 or more.
- HOW TO ORDER**
1. Send an email request to Josh at Ace Sign & Design info@acesignsutah.com.
 2. If you have a custom support message, e.g., "support wildlife," "support healthcare," etc., please include it in the email. Space is limited, therefore keep your message as short as possible.
 3. Include your logo. Best format is .ai .eps or .pdf, and in some cases, they can use a .png .tif .psd or .jpg.
