24 hours of community giving.

One community. Many causes. Your impact.

Live PC Give PC 2016 - Join the Park City community and everyone who loves this great town on Friday, November 4, for Live PC Give PC, our local day of celebration! This 24-hour day of online community giving is a perfect way to recognize and support the incredible nonprofits who help shape Park City into the amazing town it is. This year, with the enthusiasm and generosity of the Park City community, we hope to set another new record: \$1,500,000! We can all give 15 for 1.5, whether that means 15 gifts, or gifts of \$15, \$150, or \$1500 (or more!). Part of what makes Live PC Give PC incredible is the amazing impact that donations of all sizes can make, and we encourage everyone to give what they can to the organizations they love. Whether you have a favorite organization or give to many, your donations will help these organizations win in more ways than one - whether it be raising funds to support their programs, generating awareness, or securing matching grants and additional contributions. Together, we can shape the future of our town. This November 4, give together for a great Park City! To learn more, visit livepcgivepc.org.

How does it work?

All donations on livepcgivepc.org will be made to the Razoo Foundation, a 501(c)(3) tax-exempt organization which permits donors to advise a regrating of their donations to other IRS-recognized qualifying 501(c)(3) organizations such as Park City nonprofit organizations. It is Razoo Foundation's normal practice to regrant 94.1% less \$0.30 of each contribution to the qualifying organization as advised by the donor, retaining 5.9% + \$0.30 for Razoo Foundation's expenses (including credit card transaction costs).
