

Community Response Fund Challenge Grants

In early March, Park City Community Foundation activated the [Community Response Fund](#) to support locals who have been disproportionately impacted by COVID-19. A first phase of grants from the fund totaling \$500,000 was rapidly awarded to eight health and human services organizations helping people who are struggling with rent, food security, and other urgent needs. The Community Response Fund is now awarding an additional \$395,000 in stabilization phase grants to provide unrestricted support to 28 nonprofits to help offset the economic impacts of COVID-19.

Click the hyperlinked organization name to read more about each organization on the [Giving Guide](#) and make a donation that will be matched by the Community Response Fund.
