Character Limit: 250

The "Why" of Your Proposal

Your "Why" is at the heart of persuasion and inspires others into action. It is a very brief statement revealing the circumstance or data which drives your program or plan. Tell us about your proposal's "why" by filling in the blanks below:

This proposal [_____] so that [_____]

Click HERE for a great resource for crafting your "why".

Character Limit: 600

The "How?" - Description of strategy*

How do you intend to achieve your desired outcomes? Please summarize your strategy for implementation to help us understand how the funds will be used.

Need assistance?

Here is a great resource for thoughtfully communicating strategy.

Character Limit: 1800

The "What?" - Intended Outcomes*

This section is to understand the "what?" of your proposal. Here, please summarize the intended outcomes of your project. Include an estimate of the project's expected effects on carbon, greenhouse gas emissions, and any other benefits to achieving Net Zero goals. We're looking for quantitative and qualitative descriptions. If you have more than one desired outcome, please number them.

Character Limit: 1800

Links for Illustrative Purposes (Optional)

If your proposal uses or refers to technology that the grants committee may be unfamiliar with, please feel free to include a link to an external source.

Character Limit: 500

Tons/Pounds of Carbon or Greenhouse Gases

How much carbon or specific greenhouse gas will be prevented or reduced??*

Please **quantify** how much carbon or greenhouse gas is estimated to be eliminated and/or prevented from being released into the atmosphere by your proposal? Included estimated time frame as well. Here we are looking for thoughtfully calculated estimates to provide us with a better sense of impact.

Character Limit: 250

Financial Documents

Please upload only PDFs that are electronically converted from Word or Excel spreadsheet files, rather than printed and then scanned to PDF as images.

Organizational Budget - Current Year*

File Size Limit: 8 MB

Budget vs. Actual - Most recent fiscal year*

File Size Limit: 2 MB

Cash Flow Statement (Current)*

Need assistance?

A Cash Flow statement is a specific type of report which can be pulled from an accounting system. It is one indicator of financial health. A positive cash flow, for example, suggests that an organization has enough cash to pay its obligations.

Click [HERE](#) for a sample cashflow statement template you can download.

File Size Limit: 2 MB

Partnership & Coalition Letters of Support

Letter(s) of Consent*

Lead applicants are required to supply signed letters of support from each entity involved. Letters must be signed by an authorized signatory and must contain language which recognizes the partnership and consents to the application.

If you have multiple letters, please combine them into one .pdf file which you can upload here.
