My son is so passionate about hockey and our family is stretched financially to keep up. We really appreciate the help of the RISE Fund.

Without RISE, it would be very difficult for my parents to pay. Thanks a lot. It really helps those who need it.

The RISE Fund allowed my son to attend the ASU debate tournament. Otherwise, I would have been unable to afford the cost of the airfare. Thank you for all that you do!

Thank you for the financial assistance. Also, thank you to Junior who reached out and explained the program. He was very helpful, kind in his explanation, and a patient listener.

RISE (Recreation, Inclusion, Sports, and Extracurriculars) Fund

is an initiative that facilitates equitable access for students to take part in sports, clubs, and extracurricular activities at Park City High School. RISE Fund eliminates financial barriers, such as registration fees, travel costs, and equipment, to create access for students whose families may be unable to afford the full cost of these programs.
